### Professional Profile

Use this area to quickly sell yourself and prove that your awesome skills and achievements can truly help the school district you're applying to. If you have specific numbers or percentages to quantify any achievements, use them. For example, you could boast about your students' test scores, or any increase in improvement in students' grades as a result of your attention and unique teaching skills.

### Experience

POSITION TITLE HERE

*Company or School District/Date Range*

Describe your achievements while in this position, and use action words like "managed" and "completed" instead of the passive "responsible for." Do not just list your job duties or copy your job description! What did you do in this position that could benefit the company you're applying to?

- List any accomplishments, skills you acquired, things you learned.
- Concentrate on really selling yourself and proving to your future employer how valuable you are as an employee.
- If you have specific numbers to quantify any accomplishments, use them! Numbers are key. You might have to do a little math to get numbers or percentages that really show how great you are.
- Ex: Increased student scores on standardized tests by 21% in math as the result of individualized learning plans.
